CURRICULUM COMMITTEE MINUTES

Minutes of February 14, 2007 meeting

Members Present Lynn Casmier-Paz, Richard Harrison, Aubrey Jewett, Fevzi Okumus, Patricia Bishop, Max Poole, Stephen Sivo, Art Weeks, Diane Wink

Recorder Rhonda Nelson

Guests Present Bobby Jeanpierre, Consuelo Stebbins, Johnny Pherigo, Scott Hall

Files [Course Action Minutes](#) 

Handouts: Initial Teacher Prep graduate certificate, School counseling track, courses and special topics, materials and supplies fees, and review of equipment requests.

1. Dr. Sivo began the meeting at 12:00 in Room 243 Millican Hall. The minutes from the previous meeting were approved.
2. **Course revisions to the Initial Teacher Prep graduate certificate.** The committee reviewed the revisions but had several questions regarding the changes. This item was tabled and a representative from the department will be invited to the next meeting to give a brief summary of the changes.
3. **Course revisions to the School Counseling track.** Mike Robinson summarized the changes. State rule has had several changes in requirements in order to meet professional prep requirements for Florida certification. The department requested to delete course EDF 6608 and add course TSL 5373 in addition to several other course changes. These changes were approved by the committee.
4. **Course and special topics.** See attachment for the results of these courses.
5. **Materials and supplies fee requests.** Dr. Pherigo requested that a change from \$10 to \$20 be made in the fees for all of the courses that required music part sheets due to the re-evaluation of the fee costs after the courses were approved last fall. This \$20 fee would also be consistent with undergraduate fee charges that were approved. This was approved. See attachment for additional information on materials and supplies that were approved.
6. **Equipment fee requests.** Equipment fees were reviewed. Recommendations are being made to the Provost. Any equipment fees adopted will have to be approved by the Board of Trustees before they can go into effect.

Meeting adjournment. Meeting was adjourned at 1:20 p.m.

COURSE MINUTES FOR 2-14-2007

All courses were approved unless otherwise indicated with a blue highlight.

Burnett College of Biomedical Sciences Special Topics

Tabled – awaiting syllabi for split class

PCB 5937 Sect 01BCBS-Molecular & Microbiology 3(3,0)

ST: Molecular and Cellular Pharmacology: PR: Graduate Standing, PCB 3522. The cellular and molecular events that lead disease states and molecular basis of agents that modulate these processes will be covered.

30 character abbreviation: **ST: Molecular & Cell PHARMACOL**

Education Special Topics

Tabled – awaiting clarification on Initial Teacher Prep grad certificate changes

EDF 6938 Sect 01ED-Educational Studies 3(3,0)

ST:Principles of Learning & Introduction to Classroom Assessment: PR: Graduate standing. Students will examine prominent developmental and learning theories in depth and their implications for instruction and assessment. Key issues in educational psychology will be explored.

30 character abbreviation: **ST:Prin Learn Intro Class Asse**

Burnett College of Biomedical Sciences Course Action Additions

Tabled – awaiting syllabi for split class

PCB 5XXX BCBS-Molecular & Microbiology 3(3,0)

Molecular and Cellular Pharmacology: PR: Graduate Standing, PCB 3522. The cellular and molecular events that lead to disease states and the molecular basis of agents that modulate these processes will be covered.

30 character abbreviation: **Molecular and Cell PHARMACOL**

College of Sciences Course Action Additions

Approved – pending shorter title

PHY 6XXX COS-Physics 3(3,0)

First principles computational mthd in condensed matter physics & materials sci: PR: PHY 5606 Quantum Mechanics I. Introduction to density functional theory and first principles computational methods used in modern condensed matter physics with hand-on sessions using computers.

Materials & Supply Fee addition proposed: \$0.00

30 character abbreviation: **Prin Comp Meth Condens Matter**

Engineering & Computer Science Course Action Additions

Tabled – awaiting Engr Technology proposal

CET 6XXX ECS-Engineering Technology 3(3,0)

Incident Response Technologies: PR: CGS 5131 or C.I. This course covers security incidents and intrusions. Topics include : identifying and categorizing incidents; responding to incidents; log analysis; network traffic analysis; and tools

30 character abbreviation: **Incident Response Technologies**

Tabled – awaiting Engr Technology proposal

CET 6XXX **ECS-Engineering Technology** **3(3,0)**

Operation Systems and File System Forensics: PR: CGS 5131 or C.I. In-depth coverage of computer forensics-related issues associated with multiple operating systems, multiple file systems, and applications.

30 character abbreviation: **Operation Systems File System**

Education Course Action Additions

[Tabled – awaiting clarification on Initial Teacher Prep grad certificate changes](#)

EDF 6XXX **ED-Educational Studies** **3(3,0)**

Principles of Learning & Introduction to Classroom Assessment: PR: Graduate standing. Students will examine prominent developmental and learning theories in depth and their implications for instruction and assessment. Key issues in educational psychology will be explored.

30 character abbreviation: **Prin Learn Intro Class Assess**

SCE 7XXX **ED-Teaching & Learning Princ** **6(6,0)**

Internship/Practicum in Science Education: PR: Admission to the Ph.D. in Education or C.I. The focus of this course is students' participation in current research projects in science/science education.

30 character abbreviation: **Intrn Pract in Science Educ**

SCE 7XXX **ED-Teaching & Learning Princ** **3(3,0)**

Professional Issues in Science Education: PR: Admission to the Ph.D. in Education or C.I. Students will study issues and forces that have shaped science education policies, classroom practices, ethics development, and professional identity.

30 character abbreviation: **Prof Issues in Science Educ**

SCE 7XXX **ED-Teaching & Learning Princ** **3(3,0)**

Science Technology and Society: PR: Admission to the Ph.D. in Education or C.I. The course is focused on the history of science in the U.S. with particular emphasis on institutional configurations that emerged in the period since nationhood.

30 character abbreviation: **Science Technology and Society**

SCE 7XXX **ED-Teaching & Learning Princ** **3(3,0)**

Seminar--Professional Writing/Grants in Science Education: PR: Admission to the Ph.D. in Education or C.I. The focus of the course is on scholarly writing and grant writing in science teaching, learning, assessment and relationships.

30 character abbreviation: **Sem Writing Grants in Sci Educ**

SCE 7XXX **ED-Teaching & Learning Princ** **3(3,0)**

Teaching Theory & Research in Science Education: PR: Admission to the Ph.D. in Education or C.I. Course will provide students means to become familiar with trends and current status of research in science teaching and learning.

30 character abbreviation: **Teach Theory & Res in Sci Educ**

Health & Public Affairs Course Action Additions

[Withdrawn – the college has asked that this course be withdrawn as the Ed.S. track will not be forthcoming.](#)

SPA 6XXX **HPA-Commun Sci & Disorders** **3(3,0)**

Course promotes in-depth understanding of the role of macronutrients in human nutrition and health enabling graduates to integrate knowledge into other aspects of their work.

30 character abbreviation: **Principles of Human Nutrition**
