**Part A – For additions or revisions of programs, tracks or certificates**

**Brief statement of rationale:** (Please indicate the rationale, how it affects the unit and faculty teaching in and students enrolled in the program, track or certificate.)

Over the last few years we have had numerous students express an interest in increased specialization to prepare them to work with the particular needs of student athletes. With the addition of these courses we will be able to provide this track without taxing current instructional personnel. The new track only involves three new courses with ten remaining courses currently part of our planned rotation.

**For Revisions:**

**Brief listing of Program Changes:** (Please indicate the changes in bullet format. If there are changes to the credit hours of the program, required courses or other requirements, please state those changes. Remember to attach the catalog copy showing changes, using Track Changes in Word.)

The current MA in Ed Leadership-SPS requires 39 hours and there will be no changes for SASS track. Changes are to eliminate an elective and two current course from the SPS track and replace them with Academic Success and the Student Athlete, Athletics in the American University and The Adult Learner.

Will students be moved from an existing program, track, or certificate into this new program, track, or certificate?

☐ Yes ☒ No

If yes, state the name of the program or track where students are currently enrolled and provide a list of students if possible:

Will students have the option to stay in their existing program, track, or certificate? ☒ Yes ☐ No

**Name Change**

Are you changing the name of an existing program, track, or certificate? ☐ Yes ☒ No

*Page 5 of UCF Program Recommendation Form*

If yes, provide the new name of the program, track, or certificate:

No student will be moved but the new track will be MA Ed Leadership - Student Athlete Support Services

Provide the name of the current program, track, or certificate:

**When is the name change effective?** Please note: A name change will apply to the record of all students who are currently enrolled, readmitted or newly admitted into this program as of the effective date of this change.

There is no name change associated with this request. We wish to add a track and a certificate.

Will students have the option to stay in their existing program, track, or certificate? ☒ Yes ☐ No

If you are requesting a CIP Code change for an existing program, track, or certificate, please provide:

old CIP:

new CIP:

If a name change is your only revision, stop here. Otherwise, complete the rest of Part A.

**Part A - Continued**

**Specify the faculty who will participate in the program, track or certificate and their credentials to do so:** (List faculty and a brief paragraph of their credentials.)

75% of the courses for the new track are currently taught by existing faculty. Dr. Thomas Cox will teach on The Adult Learner, Dr. Rosa Cintron will teach the course on Academic Success and the Student Athlete and Dr. Tom Owens will teach the course on Athletics in the American University. Brief faculty bios are attached to this form.

**Impact of changes on students:** Will current students be impacted by the addition or revision of a program, track or certificate? If so, how?

Not unless they choose to change into the new track.

If applicable, provide a written agreement (email is fine) from all involved units that they are in support of, will provide courses to, or will participate in the program, track, or certificate. Please attach the correspondence and also list the units here.

The track involves a single program area in a single department. We are adding three new courses. There are no duplicate courses. I have had face to face meetings with Todd Stansbury, Mark Gumble, Jessica Reo, Kimya Massey, Courtney Vinson, Keith Embray and Jay Hoffman. All were able to provide valued input and confirmed that the courses and track duplicate nothing currently offered.

If an addition, provide a statement of who is likely to enroll and why. Please state if there is licensure or certification that depends upon this education, etc. Also, complete the following table.

There is no licensure or certification associated with this degree/certificate. Based on student surveys we anticipate that students with an interest in working in athletic student support services will apply.

	Year 1	Year 2	Year 3
Headcount	10	20	30
SCHs	240	390	630

If an addition, indicate likely career or student outcomes upon completion: (What will students do? What will their job titles be?)

They will be employed in university athletic departments in academic support services, student life skills development and compliance.

**Part A - Continued**

## PROGRAM DESCRIPTION

The nonprofit sector is the fastest growing area of the economy, and the completely online Master of Nonprofit Management MNM program prepares students for careers in this dynamic field. The degree program provides opportunities for students to prepare for employment or to advance their careers as administrators in nonprofit organizations.

[Read More ▼▲](#)

International students (F or J visa) are required to enroll in a full-time course load of 9 credit hours during the fall and spring semesters. Only 3 of the 9 credit hours may be taken in a completely online format. For a detailed listing of enrollment requirements for international students, please visit [www.intl.ucf.edu](http://www.intl.ucf.edu). If you have any questions, please consult the International Services Center at 407-823-2337.

## CURRICULUM

The Nonprofit Management MNM program requires a minimum of 36 credit hours beyond the bachelor's degree and offers thesis, nonthesis, and Nonprofit Leadership Alliance options. All three options require 27 credit hours of core courses, 3 credit hours of a restricted elective course, and then 6 credit hours of either thesis work, electives in the nonthesis option, or 6 credit hours in the Nonprofit Leadership Alliance option.

### **Total Credit Hours Required:**

36 Credit Hours Minimum beyond the Bachelor's Degree

### **Required Courses—27 Credit Hours**

- PAD 5145 Volunteerism in Nonprofit Management (3 credit hours)
- PAD 5146 Nonprofit Resource Development (3 credit hours)
- PAD 5850 Grant and Contract Management (3 credit hours)
- PAD 6142 Nonprofit Organizations (3 credit hours)
- PAD 6149 Nonprofit Administration (3 credit hours)
- PAD 6208 Nonprofit Financial Management (3 credit hours)
- PAD 6335 Strategic Planning and Management (3 credit hours)
- PAD 6417 Human Resource Management (3 credit hours)
- PAD 6327 Public Program Evaluation Techniques (3 credit hours)

### **Restricted Elective—3 Credit Hours**

This elective must be a UCF Public Administration 6000-level course that is chosen after consultation with the student's academic adviser.

- PAD 6000-level elective course (3 credit hours)

### **Thesis Option—6 Credit Hours**

- ~~PAD 6971 Thesis (6 credit hours)~~

~~Students may choose to do a thesis with the consent of the academic adviser. PAD 6971 Thesis Research is designed to guide students in conducting research in the area of nonprofit management. For this option, students select a thesis committee and write a research proposal consisting of a literature review and a detailed methodological plan. Once the proposal is approved, students collect, analyze, and interpret data and write a thesis. Students must present and defend their research to their committee and peers to complete the requirements for this option.~~

## **Nonthesis Option—6 Credit Hours**

- Electives (6 credit hours)

For the nonthesis option, students take two elective courses in addition to the elective above (three hours each) with the prior approval of the program director. The elective courses are to be in the student's area of interest, such as public administration, criminal justice, health care, social work or the arts. The MNM program does not accept 4000-level courses.

## **National Nonprofit Leadership Certification Option—6 Credit Hours**

National Nonprofit Leadership Certification: The Nonprofit Leadership Alliance represents the achievements of national academic and experiential standards in nonprofit management. Students pursuing the Nonprofit Leadership Certification must meet the Nonprofit Leadership Alliance mandated requirements. Contact the Director of the Nonprofit Leadership Alliance program for further information.

- Internship (3 credit hours)\*
- Elective (3 credit hours)

\* An internship is required for students with less than 300 hours of nonprofit sector experience. Students who provide documentation of at least 300 hours of experience in the nonprofit sector may have their internship requirement waived, but must take an approved elective (3 credit hours) in place of the internship. Work experience does not count toward credit for the MNM program

## **Additional Program Requirements**

Students must achieve a grade of "B" (3.0) or better in every course listed under required courses. Students must maintain a program of study GPA of 3.0 or higher and will not be allowed to graduate without a graduate status GPA of 3.0.

## **INDEPENDENT LEARNING**

Independent learning is demonstrated throughout the curriculum through the process of inquiry, dialogue and service learning. Tangible projects such as strategic plans, grant proposals, and

volunteer management case studies along with research projects, scholarly papers, internships, and presentations at professional conferences also contribute to the self development of our students. The final culminating experience for those enrolled in the Master of Nonprofit Management results in students taking and satisfactorily completing the Program Evaluation course (PAD 6327).

## Application Requirements

For information on general UCF graduate admissions requirements that apply to all prospective students, please visit the Admissions section of the Graduate Catalog. Applicants must apply online. All requested materials must be submitted by the established deadline.

In addition to the general UCF graduate application requirements, applicants to this program must provide:

- One official transcript (in a sealed envelope) from each college/university attended.
- Three letters of recommendation. Recommendation letters must specifically address the prospective student's ability to do academic work at the graduate level. Recommendation letters from professors are preferred.
- Résumé.
- Statement of goals, demonstrating writing ability.
- Applicants applying to this program who have attended a college/university outside the United States must provide a course-by-course credential evaluation with GPA calculation. Credential evaluations are accepted from World Education Services (WES) or Josef Silny and Associates, Inc. only.

All requested material must be submitted by the established deadline date. Material received after the established deadline may not be considered. Admission to this master program is competitive; applicants meeting the minimum admission requirements are not guaranteed admission to this program.

Students are expected to be computer literate upon entry to the program or are expected to obtain these skills immediately upon admission to the program. This program is completely online, so computer skills and computer internet access are necessary to take the courses.

A limited number of students who do not meet these requirements may be admitted on a provisional basis. These students must demonstrate proven nonprofit sector leadership experience, present strong recommendations from either academic or professional advisers, and provide a clear statement of educational goals. More specific information on provisional admissions may be obtained from the department. Provisional admissions are limited and competitive. Students who are interested in these spots should contact the department as early as possible for consideration.

INTERNATIONAL STUDENTS:

The School of Public Administration accepts scores from Test of English as a Foreign Language (TOEFL) only. Test scores from the International English Language Testing System (IELTS) are not used in consideration of admission to this program.

All International students must submit TOEFL scores regardless of language in which the undergraduate program was completed.

**Please note:** Due to restrictive state regulations, UCF is not permitted to provide online courses or instruction to students in the following states. If you reside in one of these states, you may not be permitted to enroll in or be admitted to a UCF online program. Once the proposal is approved, students collect, analyze, and interpret data and write a thesis. Students must present and defend their research to their committee and peers to complete the requirements for this option.~~

## **Nonthesis Option—6 Credit Hours**

- Electives (6 credit hours)

For the nonthesis option, students take two elective courses (three hours each) in addition to the elective above with the prior approval of the program director. The elective courses are to be in the student's area of interest, such as public administration, criminal justice, health care, social work or the arts. The MNM program does not accept undergraduate-level courses.

## **National Nonprofit Leadership Certificate Option—6 Credit Hours**

The current fee per credit hour is \$500.95 for out-of-state students. Tuition is subject to change.

## **INDEPENDENT LEARNING**

Independent learning is demonstrated throughout the curriculum through the process of inquiry, dialogue and service learning. Tangible projects such as strategic plans, grant proposals, and volunteer management case studies along with research projects, scholarly papers, internships, and presentations at professional conferences also contribute to the self development of our students. The final culminating experience for those enrolled in the Master of Nonprofit Management results in students taking and satisfactorily completing the Program Evaluation course (PAD 6327).

## **Application Requirements**

For information on general UCF graduate admissions requirements that apply to all prospective students, please visit the Admissions section of the Graduate Catalog. Applicants must apply online. All requested materials must be submitted by the established deadline.

In addition to the general UCF graduate application requirements, applicants to this program must provide:
