[2015-09-23 Meeting Course Minutes](#) 

Welcome and call to order. Dr. Kelliher, acting chair, called the meeting to order, and welcomed the guests. A quorum was established. The minutes from the last meeting were reviewed and approved.

Neuroscience track in MS Biomedical Sciences – COM/BSBS. This item was tabled at the September 2 meeting. Dr. Naser was available to answer any questions from the committee. It was noted that the catalog copy had been updated to reflect the clarifications requested at the last meeting on the capstone process, the teaching requirement section which included one semester of teaching and one semester of research shadowing, and the suggested choreography section. Terrie Sypolt gave a summary of the Library Report and indicated that sufficient materials were available to support this track. This track received unanimous approval with no changes.

Review of Herpetology Split Class (Z00 4932C/5463C). This class was tabled on 1/26/15. More rigor was requested for the various sections of the graduate level class. The committee reviewed the split class and indicated that the graduate course showed relevant rigor in the advanced subject matter, additional projects, and assessments. Drs. Fedorka and Dorman provided input regarding this class. This course fill gaps and trains graduate and undergraduates. The 5000 level class is already being taught while the 4000 level class is a new course. This course is an elective course. This split class received unanimous approval.

Courses and special topics. To review a list of approved courses, please see the attached course minutes.

Adjournment. The meeting adjourned at 3:15 pm. The next meeting is scheduled for October 7.
