### Minutes of August 23, 2004 meeting

Members Present Patricia Bishop, Jim Moharam

Recorder Rhonda Nelson

Guests Present Ben Morgan

Handouts: minutes of 9/16/04 meeting, tuition handout for 2003-04 reflecting support if graduate assistants working less than 20 hours per week are provided 50% tuition coverage, and draft of policy statement on faculty qualifications for participation in graduate teaching and graduate education research.

1. The meeting began at 10:30 a.m. in BAI, 101D conference room. Dr. Morgan provided a handout on the impact of tuition reduction to 50% support for graduate assistants working less than 20 hours per week, and a draft of policy statement on faculty qualifications for participation in graduate teaching and graduate education research. This draft was generated between the 9/16 and 9/23 meetings.
2. Dr. Goodman suggested that the committee begin the editing process on the "graduate faculty" qualifications draft by examining it line-by-line. The entire meeting was devoted to this process. At the end of the allotted time for this meeting, the draft had a few remaining sections that needed to be subjected to the same editorial analysis. This process will be completed at the 9/30/04 meeting.
3. The meeting adjourned at noon.
