**Welcome and call to order.**

Dr. Patricia Bockelman, chair, called the meeting to order at 2:33p.m. A quorum was established. The minutes from the January 22, 2020 meeting were reviewed and approved.

**Addition of CAH Themed Experience MS.**

Dr. Peter Weishar, Dr. Paul Lartonoix, and Lynn Hepner explained the program will be studio based to build a portfolio of specific needs in the industry. The program plans to attract students from a wide variety of backgrounds that will work collaboratively as a cohort. The Colleges of Arts and Humanities, Engineering and Computer Science, and Rosen College of Hospitality Management will all have courses in the curriculum. The program addition received unanimous approval pending changes to required courses and restricted electives from CECS and RCHM. Lynn Hepner will update the Curriculog proposal after discussion with all Colleges.

**Addition of CBA Accounting MSA: Assurance Track, Management Track, and Taxation Track.**

Dr. Charles Kelliher explained creating tracks to allow for more specialization will help the Dixon School of Accounting to attract high quality students and to attract more employers to UCF. The track additions received unanimous approval.

**Revision of CBA Accounting MSA.**

Dr. Charles Kelliher explained the program revision is to create three specialized tracks. The program revision received unanimous approval.

**Addition of CCIE Conflict Resolution and Analysis Graduate Certificate.**

Dr. Alisha Smith and Dr. Margarita Koblasz explained the certificate will provide students with a deeper understanding of the origins and root causes of conflicts, and they will learn strategies for resolving interpersonal and community conflicts. The presenters clarified that the admission requirements should state that a bachelor's degree is required. The College of Graduate Studies will update Curriculog. The certificate revision received unanimous approval.

**Revision of CCIE Curriculum and Instruction EDD.**

Dr. Michele Gill explained the revision is to add a research seminar to the core curriculum and to move the program evaluation course to an option in restricted research electives. The

revision also added other possible research electives including qualitative and advanced quantitative methods. To accommodate the research seminar, the required dissertation hours were reduced from 18 to 15. The program revision received unanimous approval.

**Revision of CHPS Communication Sciences and Disorders MA, Accelerated BA/BS to MA Track, and Consortium Track.**

Dr. Jacqueline Towson and Dr. Linda Rosa-Lugo explained the revision is to remove SPA 6496 from the curriculum and replace it with new courses SPA 6498 and SPA 6499. The program and tracks revisions received unanimous approval.
