Welcome and call to order.

Dr. Patricia Bockelman, chair, called the meeting to order at 2:33p.m. A quorum was established. The minutes from the February 19, 2020 meeting were reviewed and approved.

General Business.

Dr. Devon Jensen announced that UCF will not be continuing the contract with DigArc and the search process for a new vendor is currently in progress. UCF will use Curriculumlog and Acalog for the remainder of this year and the 2020-2021 academic year.

Dr. Jensen explained a change in accreditation standards effective July 1st. UCF will no longer require incoming students be from a regionally accredited institution. This could have an impact on quality. The change will increase access and mobility to education.

Addition of CCIE Interdisciplinary Language and Literacy Intervention Graduate Certificate.

Dr. Mary Little explained the certificate will address the need to prepare special educators and related service providers skills with evidenced-based language and literacy interventions for school-age children (K-12) with learning disabilities and communication disorders. The certificate addition received unanimous approval.

Addition of CCIE Education PhD, Learning Sciences Track.

Drs. Richard Hartshorne and Michelle Taub explained the interdisciplinary track will expose students to key components of research on learning with additional training on using big data for research. CCIE has supported the track. The track addition received unanimous approval.

Revision of CCIE Education PhD, Counselor Education Track.

Dr. S. Kent Butler explained the program revision is to remove two courses from the program and reduce the total required hours to 78. The track revision received unanimous approval.

Revision of CCIE Public Administration Graduate Certificate.

The proposal was tabled due to no representative present.

Termination of CCIE K-8 Mathematics and Science Education Graduate Certificate and Mathematics and Science Educator Graduate Certificate.

Dr. Enrique Ortiz explained the certificates are being terminated due to very low enrollment the past few years. The certificates have become obsolete and students are instead enrolling in the Master's program or different graduate certificates. The certificate terminations received unanimous approval.

Courses.

Please see the attached course minutes.

Adjournment. The meeting adjourned at 3:48p.m. The next meeting is scheduled for March 18, 2020.
