Welcome and call to order.

Dr. Patrick Pabian, vice chair, called the meeting to order at 2:32p.m. and welcomed the committee and administrators. A quorum was established.

Revision of CECS Civil Engineering MSCE; Environmental Engineering PhD; Civil Engineering MS, Transportation Systems Engineering Track; Civil Engineering MS, Water Resources Engineering Track.

Ana Lucia Salas explained the revisions are to change articulation courses. The revisions received unanimous approval.

Revision of CECS Civil Engineering MS, Structural and Geotechnical Engineering Track.

Ana Lucia Salas explained the revisions are to change articulation courses, track description, and degree requirements. The revision will make it easier for students to register for courses. The College of Graduate Studies will verify with their audit team to ensure changes to degree requirements are doable on a student audit. The revisions received unanimous approval. Update: The College of Graduate Studies audit team has reviewed and approved the proposal as-is.

Suspension of CCIE Education PhD, Higher Education Track.

Dr. Gene Paoline explained the track is being suspended and is on the path to termination. The suspension is due to budgetary restrictions and to improve efficiency in the offerings from CCIE. The suspension of the track received unanimous approval.

Adjournment.

The meeting adjourned at 3:04p.m. The next meeting is scheduled for February 16, 2022.
