#### Welcome and call to order

The meeting was called to order at 10:30 am by committee chair Dr. Barber. A quorum was established.

Approval of minutes from February 16, 2022

#### *Policy Review/Discussion:*

**Virtual vs F2F Defenses**-This item was discussed but not voted on. It was decided to draft a new language and continue discussion at our next policy meeting in March.

**Transfer Credit Policy**-Dr. Fritzsche or Dr. Jensen will tweak the current language and discuss at our next scheduled meeting in March and hopefully the committee will be ready to approve the new language.

#### Proposed language:

Transfer of Credit

[Graduate training allows students to develop deep knowledge of a specialized area of study](#). Receipt of a graduate degree from the University of Central Florida indicates that a student has completed most of their graduate training through classroom and research experiences directed by UCF faculty. Students seeking to transfer from another institution are thus expected to have completed the majority of their total degree credits and at least half of their letter-graded classroom credits by taking courses at UCF.

The meeting was adjourned at approximately 11:25 am. The next meeting will be held on March 2, 2022.
