Old business-Do we want to revisit the 7-year course transfer rule? After a lengthy discussion from the committee and invited guest, all concerns were brought forward regarding item #4 (***Courses older than 7 years cannot be transferred. Once transfer credit has been approved, it is valid if the student maintains continuous enrollment in the graduate program. If the student is readmitted after discontinuation or dismissal, the student must initiate a new transfer request.***). Item number 4 was tabled and will be discussed at the next policy meeting scheduled on October 26th.
